### WHO WE ARE

The Green River Area Community Foundation (GRACF) is dedicated to enriching the quality of life for all citizens in the counties of Daviess, Hancock, McLean, Ohio, Union and Webster, Kentucky. GRACF serves the charitable interests of donors who have established charitable funds as part of a permanent, collective, philanthropic resource for the current and future needs of the region.

The Green River Area Community Foundation is an affiliate foundation of the Community Foundation of Louisville, a tax-exempt public charity that administers charitable funds created by individuals, businesses and organizations for the betterment of their communities.

The Green River Area Community Foundation was organized in 1993 to provide the services of a community foundation to local residents and to begin building a collective charitable endowment for the Green River Area.

### What We Offer

#### Personalized Service

We help donors establish charitable funds that support the causes and organizations they care about through a wide variety of gifts and giving strategies to maximize the impact of their giving.

#### Experience

When a donor works with us, they have access to a team of professionals who will administer the fund in the most effective way possible to honor the donor's intent. We partner with our donors' professional advisors to help provide deep expertise in philanthropic giving to develop highly efficient giving approaches for their clients.

#### Knowledge

We help our donors learn more about local programs, organizations and community need.

#### Legacy

Our donors become an important part of the future of their community. Through a fund, a donor can support their interests to meet the current and future needs of their community and beyond.

**Organize and streamline giving.** Our charitable checking fund will help simplify giving and maximize tax savings. A donor can make gifts to a fund and receive a tax donation immediately and enjoy the freedom and flexibility of making distributions to their favorite charities whenever they wish.

**Preserve and grow charitable gifts.** A donor can create and build an endowment fund that will support their favorite nonprofit organizations or charitable interests - in their name - forever.

**Honor the lives and interests of loved ones.** Our services have proven to be helpful to donors who want to establish a scholarship fund or lasting memorial for a loved one or colleague to benefit the nonprofit organizations they supported during their lifetime.

**Plan a future gift to create a personal legacy.** A planned gift through a will, bequest or a life-income gift can ensure a brighter future for the community or favorite charities. We can help a donor record their personal wishes to support the causes they care about after their lifetime.
